Lakeville Police Department Update Sunday, March 12 – Saturday, March 18, 2023

Weekly Review

Please note, if you have reviewed our Calls for Services, you'll see the Weekly Review doesn't include a comprehensive list of calls to which LPD responded. Incidents included here are based on severity, impact on public safety or other factors.

- Theft from Vehicle was reported at 1XX Anthony Drive. A purse, containing a credit card, was stolen from an unlocked vehicle.
- Home Vandalism was reported at 17XXX Iceland Court.
- Patrol responded to an early morning Auto Theft at 3XX Brutus Drive. The vehicle had been left in the driveway, unlocked, "puffing"/warming up before being stolen. Around an hour later, the vehicle was recovered on 200th Street. It was unoccupied, with the keys in the ignition.
- Harassment was reported by a victim who met a new friend on social media and thought it a good idea to send compromising photos of himself. His new "friend" then attempted to extort him for cash, threatening to release the photos online if payment wasn't received. No money was sent, and the victim was advised to shut down his social media.
- Officers were dispatched to a possible Overdose. Officers and Fire provided first aid to the 35-year-old male, administering Narcan, until medics arrived and took over. The patient was transported to the hospital for further care.
- Another day, another Harassment call involving compromising photos. Unfortunately, this victim did send approximately \$1k in payments to his new "friend" to try and avoid his glamour shots being disseminated.
- During a routine Traffic Stop, at Cedar and 179th Street, the 30-year-old male driver was found to have an outstanding felony warrant in Ramsey County. He was taken into custody without incident.
- Fraud was reported by a victim was contacted randomly, via phone, by someone claiming to be with her bank. During the conversation, she gave this unknown person her mobile banking password and is now out over \$3k. Please remember, banks and entities like the IRS will never contact you via phone and ask you for private information.
- Theft of a wallet was reported from 20XXX Holyoke Avenue. The victim left a wallet on the counter and it was stolen.

- Officers responded to 5XX Juliet Drive on a Suspicion call. An unknown vehicle had been left parked in the driveway. The vehicle was determined to be stolen out of Minneapolis. It was towed. There is currently no suspect information.
- Burglary was reported from 7XXX 160th Street West. Money was stolen from the cash register by an unknown suspect. Surveillance video shows the suspect was wearing a mask and made forced entry to the business during early morning hours.
- Officers responded to a Vehicle Fire at 19XXX Harvest Drive. Early reports had someone possibly still in the vehicle. Upon arrival, the only occupant, the 37-year-old male driver, had already exited. Fortunately, he didn't suffer any injuries. He was, however, highly intoxicated, showing numerous signs of impairment and testing a .28 PBT. He couldn't understand how his vehicle crashed or caught on fire. He was jailed on DWI charges. Thank you to our LFD partners who responded quickly, per usual, and put the fire out!
- Theft from Vehicle was reported at 16XXX Inglewood Drive. A book bag was taken from the unlocked vehicle.
- From the files of "You can't make this stuff up!" Responding to a Driving Complaint, a 43-year-old male was arrested for 4th Degree DWI after he failed SFST's and tested a .13 BAC. He was later released to his mother, at which point he defecated himself due to his level of intoxication.
