

THRIVE!

Lakeville Business Updates

February 2020 - Vol. 4, No. 2
Lakeville, Minnesota - Positioned to Thrive

Business Happenings in Lakeville

Recycle Minnesota has completed construction of the 21,240-square-foot building addition to its existing 41,834-square-foot recycling facility located at 8812 215th Street. The business also added a 69-foot tall storage silo on the property which will store recycled glass, such as beverage bottles and food jars, that is then periodically loaded into a semi-trailer for over-the-road transport.

Polytek Surface Coatings has completed construction on its new two-story, 17,218-square-foot office and warehouse building at 7850 Lakeville Boulevard. This business was previously located in a smaller leased space in the Hebert Building III on Heron Way.

Ribbon Cutting Celebrations

Natural Balance Massage held a ribbon cutting on January 13 to celebrate its new location in Lakeville. The business specializes in relieving headaches, jaw, neck and back pain due to stress, poor posture and repetitive use strain.

Hampton Inn and Suites hosted a ribbon cutting ceremony on January 14. The new four-story, 117-unit hotel is located at 20851 Keokuk Avenue, near Harry's and Allina Clinic, and includes an indoor pool and a meeting room.

Lakeville Area Schools Awarded Youth Skills Training Grant

Lakeville Area Schools was recently awarded a **[\\$90,000 Youth Skills Training Grant](#)** through the Minnesota Department of Labor. The grant application was a collaboration between the Lakeville School District and the Lakeville Area Chamber of Commerce's Lakeville Works initiative. The grant funds will be used to pair students at both high schools with Lakeville businesses in either transportation or manufacturing and provide them with a paid internship and on-the-job training.

Lakeville Area Chamber of Commerce

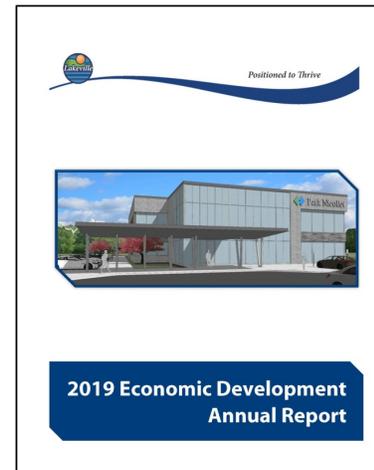

For more information about the Lakeville Works program and the grant award, visit lakevilleworks.org or call the Chamber at 952-469-2020.

2019 Economic Development Annual Report

During the January 21 City Council meeting, Community & Economic Development Director David Olson presented the 2019 Economic Development Annual Report.

The City's record-setting building permit valuation was discussed, along with residential permit numbers, 2019 business openings, upcoming 2020 projects and much more.

To learn more about what's been happening in Lakeville, the 2019 Economic Development Annual Report can be found on lakevillemn.gov.

Building Permit Report

The City has issued building permits with a total valuation of \$14,500,129 through January. This compares to a total valuation of \$16,849,114 for building permits issued through January of 2019.

The City has issued 39 single-family home permits through January with a total valuation of \$11,181,000. This compares to 33 single-family home permits with a total valuation of \$10,955,000 during the same period in 2019.

The City has also issued six townhome permits with a total valuation of \$1,481,000 through January, compared to nine permits with a total valuation of \$1,914,000 during the same period in 2019.

According to Housing First Minnesota, Lakeville issued the highest number of

residential permits in the Twin Cities in January followed by Woodbury, Plymouth, Corcoran and Shakopee.
