POSITIONED TO THRIVE!

LAKEVILLE, MINNESOTA

The City of Lakeville is a place where businesses and families thrive! Lakeville is located along I-35 on the west side of Dakota County, which is part of the 7-County Twin Cities Metro.

Lakeville is home to one of Minnesota's largest industrial parks, which has over 563 acres of land ready for development. Currently, the city's industrial park has over 150 businesses and approximately 4,000 employees.

The city is comfortably situated in close proximity to Minneapolis and St. Paul, as well as the Minneapolis-St. Paul International Airport and Mall of America.

As you can see, Lakeville is *positioned to thrive* - making it a great location for your project!

- **A community of over 72,000 and growing, Lakeville has led the metro area for single-family home permits since 2012.**
- **Over 1,700 acres of public park and open space, including 125 miles of pedestrian and bike trails and a 5-acre dog park.**
- **Award-winning schools and a highly educated workforce with over 49.2% of residents earning four-year degrees.**
- **Home to 1,350+ businesses with room to expand.**

RAPID COMMERCIAL & INDUSTRIAL GROWTH

Lakeville's vision for the future is to increase economic sustainability through diversified economic development. In 2020-2022, the city saw growth across all sectors with the addition of retail, healthcare, restaurants and manufacturing.

- Over 2 million square feet of industrial space was under construction, permitted or approved from 2020-2022.
- The City had a record building permit valuation in 2020 at \$442M and second highest permit valuation in 2021 at \$372M.
- Over 200 acres of land were annexed into the City in 2021 to accommodate future industrial growth.

In 2021, County State Aid Highway 70 completed construction on the divided four-lane highway expansion. This project supports the City's rapidly growing industrial park, both for current and future business transportation needs.

In Lakeville, 63% of the population fall between the prime working ages of 25-64 years old.

The community is forecasted to reach 83,500 residents and 22,500 employees by 2040.
